PROTECTION OF LAWFUL COMMERCE IN ARMS ACT

---

APRIL 8, 2003.—Referred to the House Calendar and ordered to be printed

---

Mr. SESSIONS, from the Committee on Rules,  
submitted the following

R E P O R T

[To accompany H. Res. 181]

The Committee on Rules, having had under consideration House Resolution 181, by a nonrecord vote, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for consideration of H.R. 1036, the Protection of Lawful Commerce in Arms Act, under a structured rule. The rule provides one hour of general debate equally divided and controlled by the chairman and ranking minority member of the Committee on the Judiciary. The rule waives all points of order against consideration of the bill.

The rule provides that the amendment in the nature of a substitute recommended by the Committee on the Judiciary now printed in the bill shall be considered as an original bill for the purpose of amendment and shall be considered as read.

The rule makes in order only those amendments printed in this report. The rule provides that the amendments printed in this report shall be considered only in the order printed in this report, may be offered only by a Member designated in this report, shall be considered as read, shall be debatable for the time specified in this report equally divided and controlled by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a demand for a division of the question in the House or in the Committee of the Whole.

The rule waives all points of order against the amendments printed in this report. The rule provides one motion to recommit with or without instructions.

The waiver of all points of order against consideration of the bill in the rule includes a waiver of clause 4(a) of rule XIII (requiring

a three-day layover of the committee report), which is necessary because the Committee on the Judiciary did not file its report (H. Rept. 108–59) until Monday, April 7, 2003, and the bill may be considered by the House as early as Wednesday, April 9, 2003.
